

Mohammed Saad Abrar

Hyderabad, Telangana, India | saadabrar681@gmail.com | +91 8088259395

Portfolio: <https://my-portfolio-chi-woad.vercel.app/>

Profile Summary

A detail-oriented React.js Developer with practical experience building responsive and efficient web applications. Proficient in React.js, Redux, and RESTful APIs, with working knowledge of backend frameworks like Node.js and MongoDB. Demonstrated ability to design reusable components and optimize performance for improved user engagement. Passionate about solving complex problems and delivering high-quality code.

Technical Skills

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3

State Management: Redux, Context API

Styling: Tailwind CSS, Bootstrap, Material-UI

Routing: React Router

APIs: RESTful APIs, Fetch API

Testing: Jest, React Testing Library

Build Tools: Vite, Webpack, NPM/Yarn

Version Control: Git, GitHub

Code Quality: ESLint, Prettier

Backend (Basics): Node.js, Express.js, MongoDB

Basic Skills: Python, SQL, Pandas

Experience

Senior Associate Analyst – IT, Wipro | Hyderabad, Telangana | Nov 2024 – Present

- Analyzed data from various sources to identify patterns and trends for process improvements.
- Created reports and dashboards using Excel and reporting tools to support data-driven decision-making.
- Cleaned and validated datasets to ensure accuracy and reliability before distribution.
- Collaborated with cross-functional teams to understand requirements and

deliver actionable insights.

- Used SQL to extract and process information for reporting and analysis.
- Monitored key performance metrics and recommended improvements to enhance workflows.

Data Science Intern, Easily Tech | Bidar | Aug 2023 – Sept 2023

- Automated data extraction and preprocessing tasks using Python libraries such as Pandas and Selenium.
- Assisted in developing robotic process automation (RPA) scripts to streamline routine operations, improving task efficiency by 20%.
- Gained hands-on experience in data manipulation and workflow optimization.

Education

Bachelor of Engineering in Electronics & Communication

Guru Nanak Dev Engineering College, Bidar | 2020 – 2024 | CGPA: 7.26

Pre-University Education

Shaheen INDP PU College, Bidar | 2019 – 2020 | 73%

Secondary School Certificate

Shaheen Urdu High School, Bidar | 2017 – 2018 | 77%

Soft Skills

- Strong problem-solving demonstrated in debugging and optimizing application workflows
- Effective communication and team collaboration in cross-functional projects
- Adaptable learner quickly mastering new tools and frameworks
